\*All chemicals will be delivered and charged at current service prices. Regular scheduled non-contract repair and maintenance appointments are billed \$169.00 an hour with a one hour minimum. In the event we need to return to complete a job, you will not be charged the minimum twice.

Contract pricing is based on a 12-month agreement. All pricing is subject to change without notice unless guaranteed in a signed maintenance contract. If unsatisfied, you may cancel your contract within 30 days. Termination of contract after 30 days will incur a Cancellation Fee equivalent to 3 months service.
